Email:mastersofoliveoil@gmail.com

Types of Data collected

Among the Personal Data collected by this Application, either independently or through third parties, are Cookies and Usage Data.

Other Personal Data collected may be indicated in other sections of this privacy policy or by means of informative texts displayed at the same time as the Data is collected.

Personal Data may be entered voluntarily by the User, or collected automatically during the use of this Application.

Any use of Cookies - or other tracking tools - by this Application or by the owners of third-party services used by this Application, unless otherwise specified, is intended to identify the User and record their preferences for purposes strictly related to the provision of the service requested by the User.

Failure by the User to provide certain Personal Data may prevent this Application from providing its services.

The User assumes responsibility for the Personal Data of third parties published or shared through this Application and guarantees to have the right to communicate or disseminate it, relieving the Owner of any responsibility towards third parties.

Method and place of processing of the collected Data

Methods of treatment

The Owner shall process the Personal Data of Users taking appropriate security measures to prevent unauthorized access, disclosure, modification or destruction of the Personal Data.

The processing is carried out by computer and/or telematic means, with organizational methods and with logic strictly related to the purposes indicated. In addition to the Data Controller, in some cases, the Data may be accessed by categories of employees involved in the organization of the site (administrative, commercial, marketing, legal, system administrators) or external parties (such as third-party technical service providers, couriers, hosting providers, IT companies, communication agencies) also appointed, if necessary, Data Processors by the Data Controller. The updated list of Managers may always be requested from the Data Controller.

Location

The Data are processed at the operating offices of the Owner and in any other place where the parties involved in the processing are located. For further information, please contact the Data Controller.

Timing

The Data is processed for the time necessary to perform the service requested by the User, or required by the purposes described in this document, and the User can always request the interruption of the Processing or cancellation of the Data.

Purposes of the Treatment of the collected Data

User Data are collected to allow the Owner to provide its services, as well as for the following purposes: Statistics.

The types of Personal Data used for each purpose are indicated in the specific sections of this document.

Details on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Statistics

The services contained in this section allow the Data Controller to monitor and analyze traffic data and are used to keep track of the User's behavior.

Google Analytics (Google Inc.)

Google Analytics is a web analysis service provided by Google Inc. ("Google"). Google uses the Personal Data collected for the purpose of tracking and examining the use of this application, compiling reports and sharing them with other services developed by Google.

Google may use your Personal Data to contextualize and customize ads in its advertising network.

Personal Data Collected: Cookies and Usage Data.

Place of processing : USA - Privacy Policy - Opt Out

More information about the treatment

Defense in court

The User's Personal Data may be used for defense by the Owner in court or in the stages leading up to its possible establishment, against abuse in the use of the same or related services by the User.

The User declares to be aware that the Owner may be required to disclose the Data at the request of public authorities.

Specific information

At your request, in addition to the information contained in this privacy policy, this Application may provide you with additional and contextual information regarding specific services, or the collection and processing of Personal Data.

System Log and Maintenance

For operation and maintenance purposes, this Application and any third-party services used by it may collect System Logs, i.e. files that record interactions and may also contain Personal Data, such as the User's IP address.

Information not contained in this policy

Further information regarding the processing of Personal Data may be requested at any time from the Data Controller using the contact information.

Exercise of rights by Users

The subjects to whom the Personal Data refer have the right at any time to obtain confirmation of the existence or otherwise of the same from the Data Controller, to know the content and origin, to verify its accuracy or request its integration, deletion, updating, rectification, transformation into anonymous form or blocking of Personal Data processed in violation of the law, and to oppose in any case, for legitimate reasons, to their processing. Requests should be addressed to the Data Controller.

This Application does not support "Do Not Track" requests. To find out if any third-party services used to support them, please consult their privacy policy.

Changes to this Privacy Policy

The Data Controller reserves the right to make changes to this privacy policy at any time by advertising it to Users on this page. Therefore, please consult this page often, taking as reference the date of the last change indicated at the bottom. If the User does not accept the changes made to this privacy policy, he/she must cease using this Application and may request the Data Controller to remove his/her Personal Data. Unless otherwise specified, the above privacy policy will continue to apply to the Personal Data collected up to that time.

About this Privacy Policy

The Data Controller is responsible for this privacy policy.

POLICY COOKIES

Cookies are packages of information sent by a web server/site to the user's browser, automatically stored by the browser on the computer and automatically sent back to the server each time the site is accessed. By default, almost all web browsers are set to automatically accept cookies.

This website does not use cookies for the transmission of personal information.

Management and deletion of cookies

To disable the use of all or only some cookies you need to change your browser settings (Firefox, Chrome, Explorer, Safari, Opera, etc.).

Browsers are usually pre-set to accept cookie, unless they are configured differently by the user.

You can have your browser block some or all of the cookies, or present a message to you before you install a cookie.

For your convenience, we provide links to the cookie management guide for the most popular browsers:
